Take potluck what our executive chef will conjure for you.

Guided Botanical Tour

Our hotel has a large selection of green spaces which are governed by the nature. You can find here a big diversity of flora, including some predominant plants of the indigenous laurel forest. During our Botanical Tour you will learn about our own organic vegetable and herbs production and you will also get information about our fruit trees. Another part of this tour are our own vineyards.
Come and join us to learn more about our green side!

Baking Time - Typicall Bread of Santana

Part of the tradition of the local community for several decades, the Bread of Santana made with sweet potatoes, is one of the delights that characterize this municipality. Follow us, visit our bakery and participate in its confection.
